

# The best talk you will attend this year

Yours Truly

10 December 2025

## So we begin

*I suppose if we couldn't laugh at the things that don't make sense, we couldn't react to a lot of life.*

Hobbes from Calvin & Hobbes

*Remember the golden rule while giving presentations: your talk should contain a quote, a few jokes and plenty of pictures.*

Albert Einstein  
(not the one you're thinking of)

# What this talk is about

This talk is a slide show made of pictures taken in and around the campus. I found them funny, I hope you do too.

At any point, feel free to shout out a caption or ask me to go back a few slides. There are 12 pictures (and 12 slide titles!), so I will pace myself appropriately. Now, sit back, relax and enjoy these pictures.

# Identity crisis

Some days, you just don't feel like yourself. For example, right this instant I don't feel like I am the same person who made these slides.
